The Final Month

June will be a very full month, concluding with our Closing Assembly on June 24th. We congratulate our teachers and parents on bringing another successful year to an end. The year has been marked with an impressive number of special events. Parents have contributed in countless ways. We have so very much for which to be thankful.

HONK!

The Lakecrest production of the Broadway musical HONK! played to strong audiences both nights of the performance. The singing and acting were energized. The lines were fine-tuned and beautifully paced. It was a stellar evening of entertainment. The entire Lakecrest community can be justly proud of what our students, teachers and parents accomplished.

"Every achievement is the victory of a flaming heart."
