

# Home and School

Newsletter-Sept. 2009

Welcome to Lakecrest all returning and new families! The Home and School committee acts as a link between the school and the families. H&S sponsors activities to help build a closer, stronger, enriched school community. We are here to answer your questions, as well as listen to suggestions. However, many activities can only be successful with the help of volunteers. Becoming involved in the school's activities benefits everyone-students, teachers and parents. Please consider volunteering whether it be one hour, one day or once a week. Thank you and we look forward to a fun year.

## Uniforms

This year the “new” school uniform will be required for all students.

This fall, H&S will again be sponsoring a bulk uniform return. Anything needed to be returned should be bagged and marked attention: Heather Edwards/Marta Fonseca and left at the front office. Please include invoice sheet regarding the pieces that need to be returned. The items will be shipped back on Sept. 18<sup>th</sup>. We may be able to do some exchanges between families once all items are in. Questions about uniforms should be directed to Heather Edwards.

H&S does have some cardigans available to purchase and the front office has ties.

## Class Coordinators

Each class has one or two parents that serve as a liaison between the teacher and the other parents. The duties include overseeing the Auction project, arranging driving for field trips, contacting parent volunteers for various projects, helping with class parties and passing on information from H&S. If you are interested in being a class coordinator for your child(ren)’s class this year please contact Marta Fonseca.

## Fundscrip Gift Card Program

Looking to save money on tuition and benefit the school as well? Fundscrip earns money for the school from the things you already buy at no additional cost to you. For more information check out the info on [fundscrip.com](http://fundscrip.com) and then complete the registration form in the Back to School Survival Kit and turn in to the front office. Tana Allen is this year’s Fundscrip coordinator.

## School Directory

Every year parents are asked to fill out a contact sheet for the school. These sheets are used by school as required but they are also used to compile the School’s Directory. Any information which you would prefer to remain confidential (i.e. e-mail, address) then that request will be respected. The school directory is a useful tool that is only passed out to Lakecrest families. Please turn in these forms ASAP so that the directory can be completed and printed for distribution by the end of September. If you are interested in helping with the directory please contact Marta Fonseca.

Home and School meets on the 2<sup>nd</sup> Monday of the month. If you would like to find out a little more about what we do then please join us on Monday September, 14<sup>th</sup> @ 8:30 in Mr. White’s office.
