Thank You

September seems like a distant memory as it has been such a busy year

with many ups and downs. As the final week of the school year draws to a close, I would just like to say thank you for such an amazing two years as Interim Head of School. I could not have asked for a better group of staff, parents, students, volunteers and Board members to work with. As the Interim Head of School, I was warmly welcomed into my new role and well supported by all. I want to thank you all for being open-minded and caring risk-takers, in welcoming me to this role and supporting me throughout the past two years.

To our Lakecrest staff, I want to say thank you so much for all the hard work and energy you put into your job. When visitors walk through our hallways, they see children learning, working, questioning and laughing. This past year specifically, our teachers have pushed themselves to learn new and innovative ways to continue to provide a supportive learning environment for our students during our remote learning program that challenged their thinking, encouraged creativity and helped them learn new skills.

To our Lakecrest students, I want to say that it has been a privilege to serve as your Head of School. Your drive to challenge yourself, to never give up and to question the world around you is truly outstanding-you never cease to amaze me! I am so very proud of each and everyone of you.

To our Lakecrest families who have so generously shared their children with us, and who unconditionally guide them in life's decisions. Thank you for driving for field trips, organizing class parties, providing weekly pizza lunches, supporting our many projects, volunteering to help out around the school-the list goes on and on. Thank you for working diligently, alongside our teachers, to facilitate the learning process for your child(ren) remotely in your home, in addition to your own work and other important responsibilities. We are truly thankful for all of your support!

As we learn from the past and look forward to our future at Lakecrest with Mr. Boekhoud as our Head of School, I am excited to continue to be a part of the many opportunities that lie ahead for our school.

Have a Safe and Happy Summer!
