Volunteer Policy

POLICY STATEMENT

Lakecrest recognizes and supports the important role that parents/guardians and other community members play in supporting the delivery of programs and services in its schools, while maintaining the safety of students and the integrity of programs and services. Therefore, Lakecrest shall ensure that, through the school administration, appropriate procedures are in place for the screening, selection, orientation, training, supervision, recognition and evaluation of volunteers at the school level.

BACKGROUND

Lakecrest recognizes that volunteers make a valuable contribution to educational programs and services as well as co-curricular and extra-curricular activities, and the school community in general. Volunteers also derive a sense of satisfaction from their involvement and build important skills in becoming contributing community members. Lakecrest also recognizes its responsibility to ensure students' safety and security, and that appropriate measures are taken when selecting volunteers.

SCOPE

This policy is applicable to all programs offered by Lakecrest, including co-curricular and extra-curricular programs, and to all those who aspire to volunteer for the various programs and services within and associated with Lakecrest.
