Lakecrest Dress Code

POLICY STATEMENT

At Lakecrest, we take pride in cultivating a positive and inclusive learning environment for students from Kindergarten to 9th grade. Our dress code policies, encompassing both uniform regulations and dress down day guidelines, are fundamental to maintaining a sense of unity, respect, and individuality among our student body. The uniform policy aims to instill a prideful identity, while dress down days offer a unique opportunity for self-expression within the boundaries of our school values. By understanding and adhering to these policies, we collectively contribute to a focused and respectful atmosphere, enriching the overall educational experience at Lakecrest.

To ensure clarity and understanding, we encourage you to review the comprehensive guidelines outlined in both our Uniform Policy and Dress Down Day Policy. Click the links below to access the complete details:
