Program Information

Welcome to a summer of endless possibilities at Lakecrest Summer Adventure Camps! Dive into days filled with laughter, friendship, and exploration as we embark on exciting adventures together. From STEM exploration to outdoor escapades, arts and crafts to games galore, there's something for every curious mind and active spirit. Join us for a season of unforgettable experiences, new friendships, and boundless fun.

Hours of Operation: 8:00 a.m. to 5:00 p.m. with supervised lunch.

Cost: \$300 per child per camp. **Special: Pay for 3 camps and the 4th camp is free!**

Ages: These camps are designed for students who are between the ages of 5-12.

Activities

At our STEM Exploration Camp, parents can expect their children to engage in a week of hands-on learning in science, technology, engineering, and mathematics. From building robots to coding challenges and conducting exciting experiments, this camp is perfect for budding scientists and innovators.

In our Eco-Art Adventure Camp, students will embark on a creative journey in the great outdoors! Campers will explore nature, gather inspiration, and create art using natural and recycled materials. Through hands-on projects, outdoor exploration, and imaginative expression, students will develop creativity, curiosity, and a deeper connection to the environment—all while having a fun, adventurous experience.

For those with a flair for the fantastical, our Fantasy Adventure Camp promises an enchanting experience. Campers will embark on epic quests inspired by fantasy worlds, engaging in role-playing games, crafting magical items, and exploring mythical creatures and legends.

Embark on a global adventure at our World Travelers Camp! Campers will explore cultures from around the world through hands-on activities like cooking international dishes, creating traditional crafts, and learning different games. This journey of discovery and celebration will inspire curiosity and connection across continents.

Let your creativity shine at our Creative Performing Arts Camp! This camp invites students to explore drama, music, movement, and storytelling in a fun and supportive environment. Campers will build confidence, collaborate with others, and express themselves as they bring ideas to life—on stage and beyond.

Unleash your creativity in the digital world! Our Media & Digital Creators Camp invites students to explore filmmaking, animation, podcasting, and digital storytelling in a hands-on, collaborative environment. Campers will develop communication, problem-solving, and creative skills while bringing their ideas to life through fun, tech-driven projects.

Code of Conduct

Lakecrest is committed to providing quality programs and services where participants may develop socially, cognitively, physically and emotionally. The code of conduct has been developed to ensure there is a mutual understanding of what is acceptable behavior and unacceptable behavior. Lakecrest maintains appropriate staff levels and makes every reasonable effort to ensure meaningful participation.

Acceptable Behavior

Lakecrest expects that staff, participants and guardians exhibit the following behavior while participating in programs:

- Respect
- Kindness
- Safety
- Honesty
- Responsibility
- Healthy choices

Unacceptable Behavior

Behavior with potential to harm oneself, others, property or which would otherwise negatively impact program quality is unacceptable and will not be tolerated. Behavior expectations will be discussed with participants on a regular basis. Staff will use discretion to take appropriate action if unacceptable behavior occurs and typical outcomes are listed below:

Procedure for Addressing Unacceptable Behavior	
	<ul style="list-style-type: none">- Unacceptable behavior will be discussed with participant(s).- Guardians of a child/youth participant will be notified of the unacceptable behavior.
First Occurrence	<ul style="list-style-type: none">- The procedures above will be followed.- Participants and guardians (if applicable) are encouraged to work with staff to identify solutions to assist the participant in displaying expected behaviors in the future.
Second Occurrence	<ul style="list-style-type: none">- The procedure above will be followed.- The parent may be required to come and collect the child, depending on severity.- The participant may be re-introduced to the program following a meeting with guardians (if applicable) to establish an individual plan to prevent further unacceptable behavior.
Third Occurrence	<ul style="list-style-type: none">- The procedure above will be followed.- The participant may be removed from the program.
